This Assignment dated **March 30, 2019** between (your name here) the grantor of the (YOUR ALL-CAPS NAME HERE) ESTATE ("Assignor"), of Las Vegas Nevada and THE (your all caps NAME here) FOUNDATION and (your trusted friends Name here), a man of the age of majority ("Assignee").

Whereas:

- (A) By an assignment Equitable Rights and Interests dated **March 30, 2019** ("Equitable and all other associated Rights and Interests"), in Account No. 0578383559; 6224 Mercer Valley St., North Las Vegas Nevada; APN: 124 25 510 078; I hereby assign the associated Equitable Rights and Interests in favor of the Assignee for the principal sum of \$10.00 to include the right of redemption therein set out upon the terms therein mentioned;
- (B) There is now owing upon the Equitable Rights and Interests for principal together with interest thereon from the date hereof, **March 30, 2019**
- (C) Assignor has agreed to assign the Equitable Rights and Interests to Assignee;

In consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Assignor hereby assigns, transfers and sets over to Assignee Assignor's interest as Equitable Rights and Interests holder of and in Equitable Rights and Interests and also the sum of Amount of Indebtedness now owing from Equitable Rights and Interests, together with all monies that may hereafter become due or owing in respect of Equitable Rights and Interests, the charge upon the Property and the full benefit of all powers and of all covenants contained in Equitable Rights and Interests, and also the full power and authority to use the name or names of Assignor for enforcing the performance of the covenants and other matters and things contained in Equitable Rights and Interests associated with the property and or assets associated in or attached to the property.
2. Assignor makes this assignment to Assignee, to have and to hold the said Equitable Rights and Interests and rights associated either statutory or otherwise and all monies arising in respect of the same and to accrue thereon, to the use of Assignee[s] absolutely as they deem necessary, and subject to the terms contained in such Equitable Rights and Interests.
3. Assignor hereby covenants with Assignee[s] that all/the Equitable Rights and Interests is a

good and valid security and the sum of Amount of Indebtedness Now Owing from Equitable Rights and Interests Borrower to Assignor and that Assignor has not done or permitted any act, matter or thing whereby Equitable Rights and Interests has been released or discharged either partly or in its entirety, to the best of the assignor's knowledge with the exception of the contractual agreement (number **SDFSG-3465466-WDFPIR-0455-44815**) with the corporation and servicing company known as **New Penn Financial, LLC; dba Shellpoint Mortgage Servicing, Houston, TX, Branch Office NMLS ID# 1541552**. However, the agreement entered into between myself and that organization that was subject to arbitration, and furthermore if such has been done, this contract supersedes any other agreement to the contrary of the contents, terms, and conditions of this agreement with the exception of an exclusive agreement that so specifies its exclusivity.

4. Assignee may collect, realize, sell or otherwise deal with the assigned accounts or any part thereof in such manner, upon such terms and conditions and at such time or times as may seem to it advisable and without notice to Assignor (except as otherwise required by any prior agreement and/or applicable law), and may charge on its own behalf and pay to others reasonable sums for expenses incurred and for services rendered (expressly including legal advice and services as well as payment in accord with the gold repeal act, title 12 USC 411, and presidential proclamation 2039 and/or any other United States Department of treasury funds transfer mechanism and/or device and/or process and/or procedure associated directly and/or indirectly with the general accepted principles of accounting or GAAP rules) in or in connection with collecting, realizing, selling or obtaining payment of the Assigned Accounts and may add the amount of such sums to the indebtedness of the estate of the assignor, but only through the United States Treasury Department and/or custodian of record of such estate, and may do so via the application of book entry, and acceptable accounting practice.
5. The parties of this agreement hereby agree to settle any and all matters, disputes, disagreements, issues, whether directly related and/or indirectly related to the matters associated hereto this agreement herein through arbitration. The arbitrator shall have exclusive jurisdiction over the matters, controversies, disagreements, issues, disputes, directly and/or indirectly associated with this instant matter, and the parties agree that arbitration shall be the sole remedy for any dispute arising herefrom, hereto, herein, related hereto, herein, hereof.

#### Special Notification in line with agreement-

The Federal Arbitration Act. As relevant here, the Act provides:

"A written provision in . . . a contract evidencing a transaction involving commerce to settle by arbitration a controversy thereafter arising out of such contract . . . shall be valid, irrevocable, and enforceable..." 9 U. S. C. §2.

Under the Act, arbitration is a matter of contract, and courts must enforce arbitration contracts according to their terms. *Rent-A-Center*, 561 U. S., at 67. Parties may agree to have an arbitrator decide not only the merits of a particular dispute but also "'gateway' questions of 'arbitrability,' such as whether their agreement covers a particular controversy." *Id.*, at 68–69; see also *First Options*, 514 U. S., at 943.

Under the Federal Arbitration Act, parties to a contract may agree (as is the case here) that an arbitrator rather than a court will resolve disputes arising out of the contract. When a dispute arises, the parties sometimes may disagree not only about the merits of the

dispute but also about the threshold arbitrability question—that is, whether their arbitration agreement applies to the particular dispute. Who decides that threshold arbitrability question? Under the Act and this (the Supreme Court of the United States of America) Court's cases, the question of who decides arbitrability is itself a question of contract. The Act allows parties to agree by contract that an arbitrator, rather than a court, will resolve threshold arbitrability questions as well as underlying merits disputes. *Rent-A-Center, West, Inc. v. Jackson*, 561 U. S. 63, 68–70 (2010); *First Options of Chicago, Inc. v. Kaplan*, 514 U. S. 938, 943–944 (1995).

6. This agreement establishes and creates a special relationship whereby the arbitrator shall be assigned as trustee, and may act only within the framework of this agreement irrespective of statutes, regulations, codes, ordinances and must adhere to the Federal arbitration act so long as it is consistent with the terms and condition specified herein and throughout.
7. **(your name here)** an infant as defined in statute, the owner of an estate having value, I (Assignor) hereby assign all equitable interests and rights over said estate with respects to the, properties, assets of said property mentioned above, with specificity only thereto to the assignee, to liquidate at the soonest and earliest convenient time through arbitration, and that the amount of recovered interests, funds, and/or redemption value be assessed through arbitration, and that the arbitration as well as the arbitration award shall be binding on all parties and shall not be subject to review unless there is found that the arbitrator acted outside the scope of this agreement, and or did not exercise reasonable judgment within the framework of this agreement, and or has committed fraud with respects this agreement, and or has failed to render a determination equating to at least but no less than two times the value of the claim by either party, against the opposing party found in default.
8. It shall further be had, that any party (whether that party be a party of interests, or a non-interested party, or a third party, and/or custodian, and/or trustee, and or official of a corporation, and/or a collective entity, and/or a trust, and or a government, or any other organization), having a disagreement, a claim, a complaint, an issue, a controversy, a dispute respecting any of the properties, matters, issues, interests equitable or otherwise in reference to this private agreement and or the aforementioned shall also be bound by the terms of this private agreement and must recognize as well as utilize the sole remedy of private arbitration for resolving any issues associated with this private agreement.

## II. Notice and Request:

8. At any time, if any interested party has expenses and expenditures associated with the aforementioned properties, that upon notification, and/or receipt of this communication, you shall have 10 calendar days in which to supply such information and/or notification, supported by conclusive documentation of all costs, expenditures, expenses, and associated tax records documenting the recording of the aforementioned. Failure to supply that information specified within the 10 calendar day period, will constitute estoppel, whereby that party, the party failing to supply the information within the specified time period allowed, will have waived any and all rights to complain, and/or bring forth a complaint, a claim, a charge, a fault, and/or to contest and or to raise exception and objection, and or to file a grievance under any circumstances.
10. This agreement shall be binding on all parties and shall be irrevocable as well as self-

executing upon receipt, any party defaulting on their obligation shall be liable for up to three times the value of this agreement/contract or \$1.8 million USD whichever is the greater shall constitute liability and acquiescence and agreement, this agreement is to always be construed as coupled with interests.

11. Any interested party and/or third-party, and/or non-directly related party shall be held in special relationship of this trust agreement, and their introduction into this matter shall constitute there assuming the role of trustee, and carrying out the dictates of this agreement including all terms and conditions with the exception of arbitrator, as the parties hereby and herein agreed that the arbitrator shall have the exclusive jurisdiction to determine the validity of this agreement, as well as the validity of the arbitration clause, and that the venue for arbitration should there be one that is chosen by the non-defaulting assignee, and that the parties agree that the assignee mentioned above shall have the sole right for choosing an independent arbitration Association, at which time the arbitration Association may pick/select/choose/assign any arbitrator at random who is not a member of the bar association whether state federal or judicial to act as arbitrator. Any disagreement by any party concerning the arbitration clause shall be brought before and/or had before an arbitrator as specified herein above, and all parties are bound by the dictates, terms, conditions of this conditional acceptance and offer.
12. Assignor shall from time to time forthwith on Assignee's request do, make and execute all such further assignments, documents, acts, matters and things as may be required by Assignee of or with respect to Equitable Rights and any and all other associated rights and Interests as to give effect to these presents, including, but not limited to obtaining waivers and subordinations of interests in Equitable Rights and Interests from any persons having a prior claim or interest thereto, and only upon proof of claim that such a claim has been documented and verified as valid, supported by affidavits signed under penalty of perjury accompanied by financial and tax records associated to the same. Assignor hereby constitutes and appoints Assignee the true and lawful attorney of Assignor irrevocable with full power or substitution to do, make and execute all such statements, assignments, documents, acts, matters or things with the right to use the name of Assignor whenever and wherever it may be deemed necessary or expedient, until the completion of the terms of this agreement and or the elapsed of 99 years.
13. The Assignee shall have full immunity with respect to this agreement it's provisions hereof and shall inure to the benefit of the successors and assigns of Assignee and shall be binding upon the respective heirs, executors, administrators, successors and assigns of Assignor.
14. This is the entirety of the agreement. Any changes must be made in writing and signed by both parties. Any disputes must be brought in the form of arbitration as agreed upon by the arbitration clause of this agreement.

### CONDITIONAL ACCEPTANCE FOR VALUE AND COUNTER OFFER/CLAIM FOR PROOF OF CLAIM and TENDER OF PAYMENT OFFERING:

Please understand that according to the terms of our agreement (the agreement with the original lender **placed lender's name here**), and you're presenting us with your- **place name of creditor here** new terms, we conditionally accept your offer under the following terms and conditions. You are to provide a complete accounting, signed under penalty of perjury attesting to the amount of expenditures and cost so that I may redeem my property. You must also provide proof of claim of the following:

- a. That we are not currently under a national emergency whereby all banking business have been suspended similar to that indicated by presidential proclamation 2039?
- b. That as a result of the current emergency, book entry credit is not an acceptable form of business transaction within the borders of the United States?
- c. That you have not charged off this account and or that the account itself has never been charged off whereby an internal credit has been applied, bringing the account balance to zero, and then the creation of a new account where the previous unapplied credit remained outstanding (in other words that there is an outstanding balance after the internal credit application)?
- d. That your attempt to seize and/or take my property is not a violation of my right to due process, right to property? And that: The Fifth Amendment does not command that property be not taken without making just compensation? That Valid contracts are not property, whether the obligor be a private individual, a municipality, a State or the United States?
- e. That the Rights against the United States and or any other party arising out of a contract with it are protected by the Fifth Amendment? United States v. Central P. R. Co., 118 US 235, 238; United States v. Northern P. R. Co., 256 US 51, 64.
- f. That when the United States and or any other party enters into contract relations, its rights and duties therein are governed generally by the law applicable to contracts between private individuals?
- g. That in Perry v. United States, 294 US 330, 352-353 (1935) it was held that:-  
When the United States, with constitutional authority, makes contracts, it has rights and incurs responsibilities similar to those of individuals who are parties to such instruments. There is no difference, said the Court in United States v. Bank of Metropolis, 15 Pet. 977, 392, except that the United States cannot be sued without its consent. See, also, The Floyd Acceptances (Pierce v. United States) 7 Wall. 666, 675; Cooke v. United States, 91 US 389, 396. In Lynch v. United States, 292 US 571, 580, with respect to an attempted abrogation by the Act of March 20, 1933 (48 Stat. at L. 8, 11, chap. 3, U.S.C. title 38, section 701) contracts of the United States, the Court quoted with approval the statement in the Sinking Fund Cases, 99 US 70, supra, and said: "Punctilious fulfillment of contractual obligations is essential to the maintenance of the credit of public as well as private debtors. No doubt there was in March, 1933, great need of economy. (This is in direct reference to the March 9, 1933 act and presidential proclamation 2039, where a NATIONAL ECONOMIC BANKING EMERGENCY was declared, facilitating the serious emergency that Congress has stated is still extant)?
- h. In the administration of all government business economy had become urgent because of lessened revenues and the heavy obligations to be issued in the hope of relieving widespread distress. Congress was without power to reduce expenditures by abrogating contractual obligations of the United States. To abrogate contracts, in the attempt to lessen government expenditure, would be not the practice of economy, but an act of repudiation." And that any attempt on your part to invalidate this contract would amount to the same repudiation?
- i. That the United States treasury, as authorized under the presidential proclamation 2039, has not declared legal tender to be valueless? Backed by nothing? [-  *An official website of the United States Government-*  
[Legal Tender Status - Treasury Department --- U.S. DEPARTMENT OF THE TREASURY](https://www.treasury.gov/resource-center/faqs/Currency/Pages/legal-tender.aspx)  
<https://www.treasury.gov/resource-center/faqs/Currency/Pages/legal-tender.aspx>  
Jan 4, 2011 - The pertinent portion of law that applies is the Coinage Act of 1965, specifically Section 31 U.S.C. 5103, entitled "Legal tender," which states: "United States coins and currency (including Federal reserve notes and circulating notes of Federal reserve banks and national banks) are legal tender ... Federal Reserve notes are not redeemable in any commodity, and receive no backing by anything This has been the case since 1933. The notes have no value for themselves."]

- j. That The Federal Emergency Relief Act of 1933 AN ACT, was not to provide for cooperation by the Federal Government with the several States and Territories and the District of Columbia in relieving the hardship and suffering caused by (Sec. 4. (a)) Out of the funds ... to provide the necessities of life to persons in need as a result of the present emergency, and/or to their dependents, whether resident, transient, or homeless. - The Federal Emergency Relief Act of 1933 Approved, May 12, 1933 (Sec. 4. (a))?
- k. That "The ownership of all property is not in the state"?
- l. That "Under the new law government obligations, is not backed by the credit of the nation. It does not represent a mortgage on all the homes, and other property of all the people of the nation."? Senate Document No. 43, 73rd Congress, 1st Session, *Congressional Record*, March 9, 1933 on HR 1491 p. 83.
- m. That Obligations of the United States shall not be receivable for all public dues? That they shall not be redeemed at the Treasury Department of the United States or at any Federal Reserve bank? 12 U.S. Code § 411 - Issuance to reserve banks; nature of obligation; redemption (Dec. 23, 1913, ch. 6, § 16 (par.), 38 Stat. 265; Jan. 30, 1934, ch. 6, § 2(b)(1), 48 Stat. 337; Aug. 23, 1935, ch. 614, title II, § 203(a), 49 Stat. 704.)

You are hereby notified that I do hereby tender payment for the referenced obligation of debt, and because this debt concerns property of the United States it is deemed by law and operation of statute to be a "government obligations" and must be handled in accord with the dictates of statute. I accept the obligation on and in behalf of the United States of America and hereby make assignment of the obligation[s] to the United States Treasury Department creating a special relationship on and in behalf of the United States of America as authorized by statute and trust law. You are to present the item (remittance coupon) to the United States Treasury Department or at any Federal Reserve bank to include any Federal Reserve member banks to redeem the value of the obligation. 12 USC 411, directing an immediate credit for value to my account.

As per the terms of this contract this shall serve as my notice of change in terms of contract, cancelling and or suspending any acceleration and or associated penalties in paying the US 'government [debt instrument] obligations' for value through acceptance, pledging an assignment in full. And shall act as my redemption under statute and in equity.

containing any FAIR/VALUABLE CONSIDERATION therein, to include the setting up of trust accounts, and or insurance policies, and or contracts, which would act/operate to create and establish a “relationship” (nexus) and thereby; and therein, bind the Undersigned to the specific “source of authority” for the creation and existence of the alleged statute(s)/law(s) as contained and allegedly promulgated within the “Code” known as the United States Code; which, with the privity of contract or contract itself would thereby; and therein, create and establish legal force and or effect of said statute(s)/law(s) over and upon the Undersigned; and, would also act/operate to subject the Undersigned to the “statutory jurisdiction” of the UNITED STATES, its laws, venue, jurisdiction, and the like of its commercial courts/administrative tribunals/units and thereby; and therein, bind the Undersigned to said courts/administrative tribunal’s/unit’s decisions, orders, judgments, and the like; and specifically as within the above referenced alleged Commercial/Civil/Cause; and, which would act/operate to establish and confer upon said court/administrative tribunal/unit the necessary requirement/essential of “subject-matter jurisdiction” without which it is powerless to move in any action other than to dismiss. It is to be noted that the use of any statute and/or code and or regulation and/or law other than those expressed by the Constitution, or for reference purposes only and not an acknowledgment and or proof of such engagement with knowing intent, and as a result thereof the parties agree that any statute and/or code introduced by the United States Congress and or state legislature under its non-governmental capacity i.e. it’s “corporate business commercial transacting capacity”, are not binding on any of the parties, and cannot be introduced and or used as any justification for any proceeding, and/or procedure, and or remedy respecting this matter. That the arbitration process is binding on all parties and is the sole and exclusive remedy for redressing any and all issue associated with this trust agreement. That this agreement supersedes and predates as well as replaces any and all prior agreements between the parties, and is binding on all parties and irrevocable, and the parties agreed to the terms and conditions of this agreement upon default of the defaulting party as of the date of the default, that the value of this agreement is (enter the dollar amount here- example is \$8,000 (EIGHT THOUSAND DOLLARS)), the amount demanded is (indicate that amount here, three times the value of the original contract is deemed reasonable unless other circumstances for a higher amount exist). The Undersigned humbly and respectfully requests the Respondent(s) provide said necessary Proof of Claims so as to resolve the Undersigned’s confusion and concerns within this/these matter(s), otherwise, the Undersigned must ask, “What is the Undersigned’s remedy?”

**23132. THEREFORE,** as Respondent(s) have superior knowledge of the law, and as custodian of record has access to the requested and necessary Proof of Claims, and otherwise being in a ‘catbird’s seat’ to provide the requested and necessary Proof of Claims raised herein above, Respondent(s) is able, capable, and most qualified to inform the Undersigned on those matters relating to and bearing upon the above referenced alleged **CIVIL/COMMERCIAL/Cause** and thereby; that there is a duty on the part of the parties to communicate and/or respond to the aforementioned proof of claim and/or demand associated with this self-executing binding irrevocable contractual agreement coupled with interests and therein, has an obligation to clear-up all confusion and concerns in said matter(s) for the Undersigned as to the nature and cause of said process(s), proceeding(s), and the like as well as the lawfulness and validity of such to include; inter ali, all decisions, orders, and the like within; and arising from, all such within said Commercial/Civil/Cause.

**23133.** The Undersigned herein; and hereby, provides the Respondent(s) ten (10) Calendar days; to commence the day after receipt of this **CONDITIONAL ACCEPTANCE FOR VALUE BINDING SELF-EXECUTING CONTRACTUAL AGREEMENT COUPLED WITH INTERESTS AND COUNTER OFFER/CLAIM FOR PROOF OF CLAIM**, in which to gather and provide the Undersigned with the requested and necessary Proof of Claims raised herein above, with the instruction, to transmit said Proof of Claims to the Undersigned and/or the below named Notary/Third Party and or their representative as stipulated and attached hereto by reference, for the sole purpose of certifying

RESPONSE or want thereof from Respondent(s). Furthermore, the Undersigned herein; and hereby, extends to the Respondent(s) the offer for an additional ten (10) Calendar days in which to provide the requested and necessary Proof of Claims raised herein above. If Respondent(s) desires the additional ten (10) Calendar days, Respondent must cause to be transmitted to the Undersigned and the below named Notary/Third Party etc. al; a signed written REQUEST. Upon receipt thereof, the extension is automatic; however, the Undersigned strongly recommends the Respondent(s) make request for the additional ten (10) Calendar days well before the initial ten (10) Calendar days have elapse and to allow for mailing and delivery time. NOTICE: Should Respondent(s) make request for the additional ten (10) Calendar days, said request will be deemed "good faith" on the part of Respondent(s) to perform to this offer and provide the requested and necessary Proof of Claims. Should Respondent(s) upon making request for the additional ten (10) Calendar days, of which there will not be, cannot be, and shall not be any extension as the aforementioned requested information is required to be readily available for inspection and review upon demand, then fail or otherwise refuse to provide the requested and necessary Proof of Claims, and/or fails to provide the specific information in full detail as specified according to the terms of this agreement, and or shall cause to have presented a nonresponse, and or a general response, and or a nonspecific response, which shall only constitute as an attempt to evade, to avoid, to delay, said act(s) on the part of Respondent(s) shall be deemed and evidenced as an attempted constructive fraud, deception, bad faith, and the like upon Respondent's (s') part and further attempts to cause an inflict injury upon the Undersigned. Further, the Undersigned herein strongly recommends to Respondent(s) that any Proof of Claims and request for the additional ten (10) Calendar days be transmitted "Certified" Mail, Return Receipt Requested, and the contents therein under Proof of Mailing for the good of all concerned.

**23134.** Should the Respondent(s) fail or otherwise refuse to provide the requested and necessary Proof of Claims raised herein above within the expressed period of time established and set herein above, Respondent(s) agree that they will have failed to State any claim upon which relief can be granted. Further, Respondent(s) will have agreed and consented through "tacit acquiescence" to ALL the facts in relation to the above referenced alleged Commercial/Civil/Cause, as raised herein above as Proof of Claims herein; and ALL facts necessarily and of consequence arising there from, are true as they operate in favor of the Undersigned, and that said facts shall stand as prima facie and ultimate (un-refutable) between the parties to this Conditional Acceptance binding contractual agreement coupled with interests for Value and counter offer/claim for Proof of Claim, the corporate Government juridical construct(s) Respondent(s) represents/serves, and ALL officers, agents, employees, assigns, and the like in service to Respondent(s), as being undisputed. Further, failure and/or refusal by Respondent(s) to provide the requested and necessary Proof of Claims raised herein above shall act/operate as ratification by Respondent(s) that ALL facts as set, established, and agreed upon between the parties to this Conditional Acceptance for Value and counter offer/claim for Proof of Claim, are true, correct, complete, and NOT misleading. The parties further agree that any contracting in the future between the parties shall not invalidate and/or supersede this contract, and if any portion of this contract shall be deemed or held to be invalid, it shall not invalidate any other portion and/or section of this contract. That this contract shall be taken contextually, and read, construed, and reviewed under the strict guise of the reasonable common man or woman position, without respect legalese and/or legal terminology. That the common law referred to herein and throughout, is not the English common law, but the common law ascribed within the meaning of "due to your fellow as you would have him do to you", and the equitable principle "make peace (settle matters quickly) with your adversary while he is on his way to the magistrate, do it while you are still together on the way, or your adversary may hand you over to the judge, and the judge may hand you over to the officer, and you may be thrown into prison. Truly I tell you, you will not get out until you have paid the last penny." This shall and is construed as an attempt to settle matters quickly, so that we may be at peace, it is our hope to maintain the peace within the community, and with our

neighbors. **23141. NOTICE:** That the arbitrators "must not necessarily judge according to the strict law but as a general rule ought chiefly to consider the principles of practical business" *Norske Atlas Insurance Co v London General Insurance Co* (1927) 28 Lloyd's List Rep 104

- "internationally accepted principles of law governing contractual relations"<sup>[1]</sup> *Deutsche Schachtbau v R'As al-Khaimah National Oil Co* [1990] 1 AC 295<sup>[1]</sup>
- If the contract (valid or otherwise) contains an arbitration clause, then the proper forum to determine whether the contract is void or not, is the arbitration tribunal.<sup>[1]</sup> For example, see *Heyman v Darwins Ltd.* [1942] AC 356<sup>[1]</sup>
- That any determination by the arbitrator is binding upon all parties, and that all parties agree to abide by the decision of the arbitrator, that the arbitrator is to render a decision based upon the facts and conclusions as presented within the terms and conditions of the contract. Any default by any party must be supported by proof and evidence of said default, that default shall serve as tacit acquiescence on behalf of the party who default it as having agreed to the terms and conditions associated with the self-executing binding irrevocable contract coupled with interests. That the arbitrator is prohibited from considering and/or relying on statutory law, as it has been held that any time any party relies on or enforces a statute, they possess no judicial power
- "A judge ceases to set as a judicial officer because the governing principals of administrative law provides that courts are prohibited from substituting their evidence, testimony, record, arguments and rationale for that of the agency. Additionally, courts are prohibited from their substituting their judgments for that of the agency." *AISI v US*, 568 F2d 284.
- "...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise), act as mere "clerks" of the involved agency..." K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.)
- "...their supposed 'court' becoming thus a court of limited jurisdiction' as a mere extension of the involved agency for mere superior reviewing purposes." K.C. Davis, ADMIN. LAW, P. 95, (CTP, 6 Ed. West's 1977) *FRC v G.E.* 281 US 464; *Keller v PE*, 261 US 428.
- "When acting to enforce a statute, the judge of the municipal court is acting an administrative officer and not as a judicial capacity; courts in administrating or enforcing statutes do not act judicially. but, merely administerially." *Thompson v Smith*. 155 Va. 376. 154 SE 583, 71 ALR 604.
- "It is basic in our law that an administrative agency may act only within the area of jurisdiction marked out for it by law. If an individual does not come within the coverage of the particular agency's enabling legislation the agency is without power to take any action which affects him." *Endicott v Perkins*, 317 US 501
- "It is not every act, legislative in form, that is law. Law is something more than mere will exerted as an act of power...Arbitrary power, enforcing its edicts to the injury of the person and property of its subjects is not law." *Hurtado v. California* (1884) 110 US 515 (1984).
- Some of the aforementioned cases are not published, however, these are still fundamental principles of law, and one of the fundamental principles of arbitration is that the arbitrator sits as judge over the facts, and as such to preserve the sanctity of the process and arbitrator receives the same immunity as a judge and is exempt from prosecution and or review, unless they can be proved that the arbitrator intentionally ignored the evidence and acted in conspiracy to defraud the parties.

**23142.** As the Undersigned has no desire NOR wish to tie the hands of Respondent(s) in performing Respondent's(s') agreed upon duty/obligation as set, established, and agreed upon within this Conditional Acceptance for Value and counter offer/claim for Proof of Claim and thereby create/cause a "breach" of said

contractually binding agreement on the part of the Respondent(s), Respondent(s) is hereby; and herein, NOTICED that if this waiver of said Copyright is not liberal, NOR extensive enough, to allow for the Respondent(s) to specifically perform all duties/obligations as set, established, and agreed upon within the Conditional Acceptance for Value and counter offer/claim for Proof of Claim: Respondent(s) may; in “good faith” and NOT in fraud of the Undersigned, take all needed and required liberties with said Copyright and this waiver in order to fulfill and accomplish Respondent’s(s’) duties/obligations set, established, and agreed upon between the parties to this agreement.

**23143.** If Respondent(s) has any questions and or concerns regarding said Copyright and or the waiver, Respondent(s) is invited to address such questions and or concerns to the Undersigned in writing, and causing said communiqués to be transmitted to the Undersigned and below named Notary/Third Party. The respondents have acted as if the contract quasi-or otherwise does not place a binding obligation upon their persons, upon their organizations, upon their institutions, upon their job qualifications, and breaching that obligation breaches the contract, for which they cannot address due to the direct conflict of interest. It is as a result of that conflict of interest that binding arbitration shall be instituted

**23144.** Your failure to respond, and this would include each of the respondents by their representative, and if represented by the Atty. Gen., such representation must be responsive for each State and/or State organization/department/agency, separately and severally to each of the points of averment, failure to respond to a single point of averment will constitute acquiescence, forfeiture, and a waiver of all rights with respects all of the points raised in this presentment.

**23146.** This presentment shall constitute a CLAIM against the assets of your institution and is valid upon your failure to comply with the requirement of this agreement and to VALIDATE NOT VERIFY THE COMPREHENSIVE ACCOUNTING!

**23147. NOTICE:** All titles/names/appellations of corporate Government juridical constructs, and branches, departments, agencies, bureaus, offices, sub-whatever’s, and the like thereof, include any and all derivatives and variations in the spelling of said titles/names/appellations.

**23148. NOTICE:** Any and all attempts at providing the requested and necessary Proof of Claims raised herein above; and, requesting the additional ten (10) Calendar days in which to provide same; and, to address any and all questions and concerns to the Undersigned in regards to the Stated Copyright and waiver herein expressed, in any manner other than that provided for herein will be deemed non-responsive.

The Undersigned extends to the Respondent(s) the Undersigned's appreciations and thanks for Respondent's(s) prompt attention, response, production of above Proof(s) of Claim and assistance in this/these matter(s). This presentment is not to be construed as an acceptance and/or application and/or subscription and/or request for license, admittance to any jurisdiction quasi-or otherwise.
